

Now there's a new way to save money on phone calls with an Internet phone service that combines business quality with low call prices and the support you have come to expect from a service designed for business.

REDUCING CALL COSTS

You can make significant savings with low price local and national calls and free calls to any other pharmacy with a Fred Phone.

All of those day-to-day calls between stores can be free if you have a Fred Phone in each of your stores, as well as between your store and a Fred Phone in your home office.

FRED PHONE FEATURES

- **FREE** calls to other Fred Phone customers regardless of location

- No Flag Fall
- Works just like an ordinary phone
- Easy setup
- Managed customer equipment

Fred Phone is available from only \$9.05 ex GST per month plus set-up and hardware costs*.

SUPPORT FROM THE PEOPLE WHO KNOW

You can depend on the team who know your business to provide fast, reliable service 7 days a week.

Visit www.fred.com.au or call the Fred team on 1800 888 828 to find out more.

* CONDITIONS & PRICING

Fred Phone requires an active ADSL Broadband connection of no less than 512/128 preferably on the Fred Net network.

VoIP adapters start from \$118.20 ex GST.

Once-off connection fee of \$27.27 ex GST.

Fred will provide a standalone VoIP service only.

This simply means a Fred Phone (VoIP) adapter is connected to your broadband modem/router and a telephone connects directly to the Fred Phone (VoIP) adapter. Your existing phone set-up and incoming calls remain unchanged.

Please note, Fred Phone does not guarantee calls to 000 emergency. Ensure you use your regular phone for emergency calls.

Call charges will be direct debited every quarter.

We require a valid email address and direct debit details to send you a quarterly invoice.
